PINOT NOIR RESERVE CARNEROS ESTATE 2006

CONNOISSEURS' GUIDE

"This classy, polished Pinot Noir leans to the restrained, balanced side of the variety while still delivering a keenly focused look at ripe red cherries, hints of cocoa and rooty, dusty earth nuances. If it is perhaps a bit less dramatic than some of its upscale peers, it does come with a more accessible price and has fairly wide distribution in the market. Its tannic spine adds a French-like, sturdy quality, and, as much as we like this wine now, we expect that it will get better and better over time."
