

Artesa Estate Vineyard, Napa Valley

Our vineyard is set in the steep foothills that straddle the Los Carneros and Mt. Veeder AVAs at elevations between 100 and 500 feet. These rocky slopes of sandstone, limestone and gravelly loam with their cool, coastal climate are home to some of the most prized chardonnay and pinot noir sites in California.

We sustainably farm 150 acres in over 50 small blocks.

	Block	Clone	Rootstock	Acres	Year Planted
