

ARTESA

Chardonnay, Los Carneros

A CENTURIES-OLD WINEMAKING LEGACY PLANTS ROOTS IN NAPA

In 1991, Spain's oldest winemaking family, Raventós Codorníu, ventured to a new world: a sea-facing hillside in the Napa Valley, with rocky soils and a favorable coastal climate. It was here in Los Carneros, that we planted new roots, building upon a 500-year winemaking legacy to create the next generation of estate-grown, artisan wines. We named it Artesa.
