

Hello Spring

As we sit here writing this, today marks the first day of spring and with it comes hope that brighter days lie ahead. After the turmoil and tension of last year, it is wonderful to see the sun shining, the mustard blooming and sheep grazing as we look out across our vineyards. While the pandemic brought change and loss to so many, for us the quiet of our tasting room was one of the most profound daily reminders that life was not normal.

With restrictions easing, we have slowly been able to welcome you back and the chatter of happy guests is heartwarming, as hospitality is one of the keystones that makes our industry so wonderful. A glass of wine is always better shared amongst friends and that is who we consider all of our members to be – friends of Artesa.

This year marks the 30th Anniversary of Artesa and while we have had to postpone the celebration, we are hoping that come summer we can start the party. More details to follow for both virtual and in-person events, as well as a special release for the occasion.

As a reminder, below are the benefits you receive, in addition to our great wine, as a Club Member. With the world hopefully reopening later this year, one of our unique benefits for those yearning for foreign shores is to take advantage of our VIP tastings, when travel allows, at our family wineries in Spain and Argentina. What better way to break the monotony of this past year? And for those of you wanting to stay closer to home, we hope that when you are able, that you can come visit us in this special corner of wine country – as we'd love to welcome you back!
