

Introducing Our First Artesa Estate Cabernet Sauvignon...

Harvest is in full swing here at Artesa, as this year's harvest caught us by surprise and came early. While we were out sampling the vineyard, we found the right chemistry for Sparkling – so two days later we were picking grapes! Our first grapes were brought in on August 5th and while we aren't sure as to why the harvest came early, we suspect it has to do with the fact that unfortunately we in our third year of consecutive draught. What we're finding of the 2022 vintage is that overall, the quality is good and the yields are in-line with the previous vintage. As we're busy bringing in fruit and fermenting, the long days (and night picks!) are what ensure that the wine is the best expression of the Estate. It's a crazy busy time of year here at the winery, but it's a labor of love for everyone involved.

Something new from the Estate that we are excited to share with you in this shipment is our inaugural 2019 Elevation Block Cabernet Sauvignon. In 2016, as part of the replantation project of our Estate Vineyard, we planted 6 acres of Cabernet Sauvignon, across 4 blocks. We chose to plant 4 different grape clones, on the higher ridges of our vineyard, which sit at 450 feet of elevation, above sea level, within the distinctive Mt. Veeder A.V.A. These gravely soils and sweeping slopes are perfect for producing grapes with tangible fruit and tannin profiles, which produce a unique Cabernet Sauvignon. We are so proud to present to you the first vintage of an Artesa Estate Cabernet Sauvignon and our first bottling appellated from the Mt. Veeder blocks of the Estate!

Harvest is the most popular time to visit us here at Napa Valley, for a limited time we've introduced a new Sparkling tasting flight as an alternative to our beloved Terrace Tasting. In homage to our Spanish roots, as Codorniu was the first producer of Sparkling Wine in Spain (Cava), we now produce five Sparkling wines – the Grand Reserve Brut, the Grand Reserve Brut Rose, the Grand Reserve Brut Barrica, La Jefa Late Disgorged Sparkling Brut and the newly released Demi-Sec. When you come for a tasting, you can elect to choose either that traditional Terrace Tasting or the Sparkling Flight. If you're keen to taste the difference in dosage and style without opening full bottles or if you're just a fan of bubbles – come and visit us!

If you're looking for something more experiential, we have two upcoming events to make the most of the harvest season:

 The 2019 Selection 92 Chardonnay represents the essence of the highest elevation blocks of Chardonnay on our Estate Vineyard. Sitting high above the valley floor, our steep hillsides lend themselves to low vigor, and vines that produce small quantities of exceptionally concentrated fruit. Our winemaker Ana Diogo-Draper makes her picking decisions by carefully balancing the fruit's natural acidity with optimum flavor- resulting in a wine that is elegantly restrained, yet possesses incredible depth and power.
