

Sip Into Spring...

As we welcome the arrival of spring, we're thrilled to see the first signs of bud break appearing in our vineyard. We are grateful for the nourishing rain we've received this winter, which has been so beneficial to the health of our vines and has filled up all our property's reservoirs.

We're delighted to have had the 400 sheep on our property once again this year. Not only have they helped us implement sustainable and natural grazing practices that benefit our vineyard ecosystem, but they've also been a joy for our guests to see and photograph. At Artesa, we're committed to doing our part to preserve the environment and support the local community.

We're also thrilled to see native wildflower strips growing naturally from the earth in between our vineyard rows, contributing to a healthy cover crop and increasing vineyard health. It's exciting to see the pops of Spring color and witness nature at work.

As we look ahead to the coming months, we have several exciting events planned that we would love to share with you. On Sunday, May 7th, we're hosting The Carneros Vineyard Run 5K / 10K at Artesa to help raise funds for the Carneros Volunteer Fire Department. It's a great opportunity to enjoy the beautiful vineyard scenery while supporting a good cause.

Then on May 13th, we're hosting our Mother's Day event, Sense of Spring. Join us and learn all about floral notes in wine while building a bouquet and enjoying Artesa wines. It's the perfect way to celebrate Mom and show her how much you care. And finally, on June 9th, we're hosting Flamenco Friday at Artesa! Join us for a lively evening filled with music, dancing, food, and of course, Artesa wines. It will be a fun way to kick off the weekend and experience the vibrant culture of Spain while paying homage to our heritage.

As we welcome the season of renewal and growth and celebrate the rewards of our labor and the spirit of progress that drives us forward, we extend a warm invitation to visit the Artesa Estate. Whether you join us for one of our upcoming events or simply stop by for a tasting, we promise to delight you with our warm hospitality and exceptional wines. We hope to see you soon at Artesa!

Warmly,

The Artesa Winery Team
